Greetings from the Principal

Congratulations to Riley Hobbs, our first student to reach Platinum Medal level in modeling our school values.

We respectfully remind parents/carers that dogs are not allowed on school grounds particularly during school hours. After hours is through negotiation with the Principal, dependent on departmental guidelines.

We also respectfully request that parents/carers and anyone else picking up students at the end of the school day remain outside of classroom buildings until after the siren.

Please remember that the Disability Unit driveway is not a footpath. It is a road that cars drive on. The deck is not a place for running or climbing over. We ask that parents/carers and students walk around the back of the building or on the footpath.

We have school photos coming up and are looking forward to smiling faces.

We hope that everyone has a safe and happy Easter.

J Suite Excursion - Thank you Variety!!!

On Tuesday 22nd March, students from J Suite travelled by bus to the Adelaide Zoo to attend the annual Variety Easter Picnic. Students caught up with old friends and teachers, explored the zoo & new nature playground (which is really cool), ate lots of yummy picnic food and even saw the Easter Bunny.

Developing knowledge, skills and techniques in The Elements of Drama

Specialist Teacher
Gail Carragher

By the end of Year 6, students explain how dramatic action and meaning is communicated in drama they make, perform and view. They explain how drama from different cultures, time and places influences their own drama making. Students work collaboratively as they use the elements of drama to shape character, voice and movement in improvisation and performances.
On March 15th, I1, I4, I6 and I7 visited Melba's Chocolate Factory and Woodside Cheese Wrights to kick off our second PYP unit: How We Organise Ourselves. This unit is about Consumer Choices. What better choices to make than chocolates and cheese! The students looked in the processing rooms at the various stages of manufacture and packaging. An employee answered some questions about processes and choices that are made at their end that they hope influences consumer choices = more sales. It was great to see exactly how they make Easter eggs and bunnies hollow and of course the yummy tastings of chocolate and cheese. The buffalo cheese was a big hit!

**Hinamatsuri**

The dolls festival called Hinamatsuri in Japanese is held on 3rd March. Hinamatsuri is a day to wish girls good health and long life. Most families with daughters celebrate by displaying ‘Hina’ dolls. These dolls are dressed in the fashion of the people of the ancient court. The Emperor and Empress are placed on the upper-most tier, followed by the ladies in waiting and ministers. As we received a donation of the doll set from Yuka Kosaka who is in Himeji, Japan last year. Students enjoyed seeing the dolls displayed in the library to learn about the festival.
