## Greetings from the Principal

We are looking forward to our whole school excursion this Friday to the Botanical Gardens. It will be a fun learning day focusing on our environment. Our next newsletter will include photos from our excursion.

DECD is hosting another Korean Study Tour from Cheongju this year from the 26/7/16 to 13/8/16. There will be about 100 students aged 10 to 12 here to experience our Australian lifestyle, English language, schooling system and unique environment. Schools across Adelaide are being invited to participate. If you are interested in being part of this please contact me for further information.

On June 19th our school is holding a fund raising Sausage Sizzle at Bunning’s Warehouse Seaford from 9.00 to 4.00. It would be great to see many of our families come and support our school fund raising efforts by visiting us and buying some sausages and drinks. We are fund raising for more play equipment and resources throughout the school for all students.

At the end of this term students will be bringing home a written report on their learning as part of our assessment and reporting process. Term 3 will be the student led conferences.

Please remember that dogs are not allowed on government school property particularly during school hours. Parents/carers who bring their dog must stay outside the school grounds.

Children’s day  KODOMONO HI
Ko do mo no hi is celebrated on May 5th. It used to be called tan go no se kku and was a festival for boys. It is still a special day for boys, but since World War 2 it has been a national holiday for all children. On the 5th of May, families erect a tall bamboo or wooden pole outside their houses and hang banners, and paper or cloth sock kites in the shape of carp fish (koi) on them. Students create a carp kite and fly them.
