Greetings from the Principal

It is September already and looking forward to Spring weather.

We have our student led conferences coming up and these are our term three student reports. We look forward to seeing you at the conferences and our Book Fair.

As a Global Peace School we participate in peace awareness activities on the International Day of Peace on 21st September.

Reminder that from the 1st of September it is Hats on again.

Well done to our SRC executives who represented our school in an exemplary manner at the recent afternoon tea with the Premier.

Thank you to everyone who supported our Fathers Day fundraising stall. We wish all Fathers a Happy Fathers Day on Sunday 4th September.

My name is Melissa Yates and I am currently a Masters of Social Work student from Flinders University undertaking my first placement within Seaford Rise Primary School. I am a single mother to a 3½ year old girl. I currently have a background in healthcare as a nurse. I will be working with Mrs Rose the School counsellor over the next 2 school terms. As a social work student I am available for you to talk to about any issues that your family or your child may have along with pointing you in the right direction for further services that may be of use to yourself and your family. I will also be working with small groups of children supporting social and emotional learning. I look forward to my time at Seaford Rise Primary School.

HEAD LICE
Please be aware that there have been some cases of head lice at the school.
Please check your child/children's hair regularly and treat with an approved solution if there is any eggs or lice found. Another treatment might be needed the following week in stubborn cases.
