GREETINGS FROM THE PRINCIPAL

On Tuesday 13th September we had the official opening of our Disability Unit, known as J suite, by the Minister for Education and Child Development, the Hon Susan Close. Our SRC Executive did a great job running the opening. Poppy Sincock, one of our students in J suite, did a fantastic job of speaking in front of everyone and helping the Minister officially open the plaque by drawing the curtain across. We have included a small collection of photos taken during the opening.

News from the Counsellor

Last Friday I went around to all classrooms with great sadness to say goodbye to the students as unfortunately I am having to go on indefinite sick leave due to living with a rare autoimmune disease called Scleroderma.

I am going to miss students, staff and families and have enjoyed working at SRPS for the last 8 years. I will make sure I visit regularly.

Cheers
Irene Rose
Yiheng likes winter best. He likes the cold weather and the rain.

Aiden—Animals come out in different seasons. My favourite season is summer because I get to go to the beach and play in the water.

H4 have been learning about Seasons in Maths. The children have really enjoyed working on this activity showing how the environment changes in different seasons.

Krystal really likes Summer because she gets to take her baby dog to the beach. Her name is Candy.

Wyatt— I like summer best because my birthday is in summer and I get to have water balloons.

Kayden — There are 4 seasons, Summer, Autumn, Winter and Spring. My favourite season is Autumn because all the leaves fall off the trees and I can collect them.

Colbie—My favourite season is spring because the birds come out and we don't need to wear jumpers anymore.
