Greetings from the Principal

Here we are at the end of another term of school. Thank you to everyone for their contribution to a successful Term 3. Thank you to all the students who participated in the second year of the Senyszyn Science Awards. We are looking forward to all the entries into the Maths Challenge next term.

Term 4 will go by quite quickly being only 9 weeks and with swimming, concert and graduation all happening.

It is important for us to know if you will be returning in 2017 so that we can set up our classes before the end of the year. Please return the forms by 21st October. I invite you to make an appointment to meet with me if you have particular information that you would like discussed regarding your child’s class placement for 2017.

Have a safe school holiday break. See you next term.

Last Thursday the school choir went into the city to perform at the Festival Theatre.
In the morning we had a rehearsal with 13 other school choirs. We practised the songs we were going to be singing that night. Thank you to all of the parents who transported kids to and from the Festival Theatre that morning. The performance that night was so exciting. The dance troupe on stage were fantastic. I loved all of their costumes. It was a great experience and we all had an awesome time. Thank you to Mrs Hage, Mrs Ellis and Miss Cocks for all of the Thursday afternoons you spent with us, rehearsing our songs. Without you this experience would not have been possible. Thank you. Chloe Edwards.
Well done to all the students who entered in the Senyszyn Science Award. Everyone did a fantastic job and should be proud of their efforts. Congratulations to our winners:

R-2—Adele and Kiera Doonan
3-5—Emma Smith and Lindsay McCormack
6-7—Aidan Toft and Sid Kentfield

We hope to see some fantastic entries next year.
