PRINCIPAL'S PONDERINGS

Thank you to the parents and students for ceasing to use the J suite carpark as an entrance to the school. Your assistance has greatly improved the safety level in this part of the school.

While talking about 'J suite', I would like to introduce Mrs Clare Taylor to the school community. Clare has had extensive experience in Australia and overseas, and has already made a positive impact in the first few weeks of this term. Welcome Clare!

J suite is an important part of our school community at Seaford Rise, as they develop the potential of students in their care. Together parents and staff are continually looking at innovative ways to enhance the learning and life skills of the young people in J suite.

Thank you to Kimberly Spry (Co-ordinator) and her team for the superb effort they exhibit each and every day.

Pokémon cards

Unfortunately due to ongoing improper use of Pokémon cards, they will no longer be allowed at Seaford Rise as of Tuesday 14th March. Any cards found in the school after that date will be removed from the students and posted to parents. Your cooperation with this change would be greatly appreciated.

Andrew Messenger.

REMINDER -
PUPIL FREE DAY—FRIDAY 10TH MARCH

I1 are learning about how electrical items can be deconstructed. Each group has had a choice of a variety of projectors, DVD players, VHS players, printers and a CD player. The aim is to predict the logical order in which their item can be pulled apart, study the joins of various components and produce diagrams and written predictions and records. Students will also be assessed on their ability to interact successfully and work as a team. Lots of fun and valuable discussion and problem solving. Tash

Dear Families, Carers & Friends,

As our student numbers jump into the 500's, there are many things around the school that we would like to upgrade, such as the play and IT equipment, to further enhance the life and learning opportunities of our children. To be able to do this rests strongly on our fundraising. With your help, we the Fundraising **Committee, are hoping to make this year's fundraisers even** brighter and more successful than before. We ask that you please donate a small gift or your time, to help make our fundraising and school a great success!

Below are some of the fundraisers that we will be running this year:

Easter Raffle

Mother's/Father's Day Stall

School Discos

Christmas Raffle

If there is anything at all that you can donate, or help us run, we would be most grateful!

The school is also committed to supporting local businesses and will acknowledge any donations in our newsletter to promote your business with our families.

We will have a donations box set up in the front office, or you can contact Ash for further information on: ashleyalver@mail.com.

Together we can achieve amazing things!

Thank you!

Seaford Rise Primary School Fundraising Committee

Last week I travelled to Sydney to take part in a three day workshop. This workshop was run by the Australian Curriculum, Assessment and Reporting Authority and their representatives. The **workshop was to get educators' opinions and expertise on NAPLAN**, students learning and the curriculum. I say educators because not all participants were class teachers, some were coordinators and principals. This was a very intensive and hands on workshop that involved lots of reading and discussing in small groups. I was one of fifteen educators nominated by DECD to represent South Australia. There were representatives from nearly all states and territories. This was a wonderful opportunity for me to meet not only other great people working in education in South Australia, but also from other parts of the country. I worked very closely with a group of ladies who came from Hobart, Perth, Canberra and Brisbane. It was very interesting to visit the ACARA head office and speak with people who work their consistently. The South Australian group of educators also spent a lot of time together, which enabled us to have lots of informal chats about school, teaching and learn from each other. I have walked away from this experience with new knowledge and a greater sense of direction for my role as class teacher and leader at Seaford Rise Primary School.

Jessie Proepster (C2 – 5/6 Class Teacher)

Congratulations to the following students who received values awards at our last assembly:

Bronze Certificate: Marlu Wanganeen
Bronze Medal : Braelen Brown

Silver Certificate : Jessica Russell

We are lost !!!!!

If you are missing any of these items—Please see Cheryl at the front office.

HEADLICE

We have had a few reported cases of head lice recently.

Please check your child/ren's hair regularly.

Children may return to school after being treated.

Please check all members of the family and wash hats and bedding.

You may need to repeat treatment after 7-10 days.
