Parent Teacher Interviews

You are invited to attend an interview with your child's teacher to discuss progress and learning.

Interviews are part of the agreed reporting process and provide an opportunity to review the progress of your child's learning so far, identify areas for development and establish strategies for working together.

A letter will be sent home for you to select an appointment time with your child's teacher. Once appointments have been made you will receive a confirmation slip from the teacher.

Interviews will take place in week 10—week beginning April 3rd.

Newsletter

If you would like the newsletter emailed to you instead of receiving a paper copy—please let us know at the office and you will be added to our email list. The newsletter is also on our website and skoolbag. To install the Skoolbag app on your smart phone, click on the app store icon and type in our school name in the search. Click "get" then "install". The app is FREE to download. When installed click "open". Select Ok to receive push notifications. Click the "more" button on the bottom right then "set up". Toggle on the Push categories that are applicable for you by tapping the on /off switch.

SCHOOL FEES 2017

School fees are due 13 April 2017.

If you are experiencing difficulty paying please make an arrangement with Deb McCann before the end of term.

A new application for School Card must be completed each year. If you qualify and haven't applied yet, please do so.

Happy week 8 to you all

Well this year is just flying, your children are settling into the rhythm of the school year, friendships are forming and cementing and homework and classes are settling into a routine. I have had the chance to meet many parents and carers, and my door is always open if you want to discuss your child or the things in their life that are affecting them.

As you all know we had a pupil free day last week where teachers and SSO's had the chance to learn some new ideas and new techniques for improving your children's education. I love the opportunity to learn and grow so it was exciting for me to participate in the growth of knowledge as part of the education community.

In this spirit of learning and growing I am excited to be able to offer to the parents and caregivers of Seaford Rise Primary 2 upcoming workshops for parents offered by professionals in their field.

Workshop One – Wednesday 5th April 9am

Children's Health, the Behaviour-Nutrition Connection

Gregory is a Naturopath, Psychotherapist and nutrition specialist. This 90-minute seminar will help you gain knowledge and understanding about the connection between the food children eat and how it affects their behaviour and mood.

Workshop 2 – Tuesday 11th April 9am

Attachment, Connection and Your Child's Behaviour

Allie Ackland-Prpic is a Child Psychologist who has been working with a number of our senior classes looking at mindfulness, relaxation and good mental health habits. In this workshop she will help parents explore how to build a positive connection to your changing child, and how this can impact on their behaviour now and in the future.

It is not necessary to book for these workshops and all are welcome.

Have an awesome weekend

Dear Families, Carers & Friends,

As our student numbers jump into the 500's, there are many things around the school that we would like to upgrade, such as the play and IT equipment, to further enhance the life and learning opportunities of our children. To be able to do this rests strongly on our fundraising. With your help, we the Fundraising Committee, are hoping to make this year's fundraisers even brighter and more successful than before. We ask that you please donate a small gift or your time, to help make our fundraising and school a great success!

Below are some of the fundraisers that we will be running this year:

Easter Raffle Mother's/Father's Day Stall School Discos Christmas Raffle

If there is anything at all that you can donate, or help us run, we would be most grateful!

The school is also committed to supporting local businesses and will acknowledge any donations in our newsletter to promote your business with our families.

We will have a donations box set up in the front office, or you can contact Ash for further information on: ashleyalver@mail.com.

Together we can achieve amazing things!

Thank you!

HARMONY DAY

REMI NDER

School Photos -
Wednesday
29th March.

Please bring your envelope with correct money on the day. No change will be given.

Please make sure your child/ren are wearing school uniform.

Family photo envelopes are available at the front office.

Only children attending the school can be in the family photo.

On Tuesday 21st March we celebrated Harmony Day by all wearing orange. Harmony day began in 1999 in the U.S.A. Harmony day is a day to celebrate cultural diversity and the coming together of different cultures, beliefs, traditions and nations. Harmony day is also known as the international day for the elimination of racial discrimination. Because the **majority of Australia's population is made up of people who were born here or moved here only one, two or three generations ago**, everyone has different and varied backgrounds. All the different cultures that come together in Australia bring many things with them: different foods, ways of dressing, languages, customs and beliefs.

Harmony Day is about celebrating these differences, embracing new cultures and making sure that everybody is included in society, as well as celebrated for their uniqueness.

To live harmoniously in Australia, it is essential that we ensure that everyone from different backgrounds is made to feel equal and involved, and is treated with fairness and respect. Learning more about the cultures and customs of those around you will help you to better understand these differences.

Remember, differences are not a bad thing. They are what make us unique and special. Harmony Day is a day to celebrate and learn more about the things that make us different.

COMMUNITY INFO

FUNDRAISING UPDATE!

Some of the fundraising funds from the last couple years have been spent on some shelters for the upcoming sports day (in house colours of course!) Thanks to the hard work of the fundraising committees and thanks to all families who supported the fundraising events.

Make a French connection
Bring a part of France home and experience French culture, language and traditions, by becoming a volunteer host family!
Southern Cross Cultural Exchange is welcoming short-term French exchange students to our part of the world in May, and we are looking for families to invite a host brother or sister into their home and community.
Hosting an exchange student is a unique and rewarding experience, that allows your family to learn about another culture, share your Australian way of life, and support a student on a life-shaping journey.
For more information on becoming a host family and the flexible volunteering options please contact Jenny Hanson on 8323 0973, 0409 890 184 or jenny.h@scce.com.au

The Pink Panthers need your support in finding new players to ensure that 2017 will be a success for the club. Currently players are needed for the u15s / u17s Girls Teams and with the season starting soon, your help will be greatly appreciated. If you know anyone who might be interested or even thinking of sponsoring the Pink Panthers, please ask them to contact us.
Please contact either of the numbers below or by visiting: <http://www.sapanthersfc.com/womens.html>

Noarlunga Leisure Centre will be holding a 'Come and Try' Sports event on Saturday 22nd April, 10am–12pm. There will be a chance for all children to try 3 sports: Basketball, Netball, Soccer. This event will be free of charge. Our aim is to connect the community to leisure and engage the younger generation to get up and get active.

There will be a sausage sizzle and bouncy castle to entertain younger siblings and parents while the children play their sports.

Please contact Lesley or Dawn on 8384 1144 or email ldibben@belgravialeisure.com.au

Registrations are open to all primary school boys and girls who want to play soccer, regardless of experience. We invite students from any school to play. Games are played on Saturday mornings. Training days will vary depending on individual coaches and most trainings will be held at Moana Primary School. This will be our home ground for games.
We are also looking for coaches, so if you are over 16yrs and happy to volunteer a few hours a week come along to find out more! If you are keen to play or coach, please text or call Rob McEwan after 3:30pm on 0448 873 367.
