Principal's Ponderings

It's Finally Here !

After many months of waiting there is great excitement at Seaford Rise as on Monday 22nd May the newest addition to the school's play equipment will be opened. Yes, the 'climbing pyramid' is all but done. I'm sure the children will enjoy the challenge.

NAPLAN - phew !

The annual NAPLAN week has come and gone very successfully, with our students showing ever increasing levels of maturity when faced with this examination style assessment. We look forward to getting the results next term.

Volunteers

It was tremendous to see parents volunteering recently at Sports Day, Mother's Day Stall, canteen, SAPSASA and a range of class excursions. Volunteers are the quiet achievers of Seaford Rise, and without them the range of programs offered to the children would be reduced. Thank you to all our dedicated volunteers.

Andrew Messenger.

Congratulations to Charlotte Jacob who was selected for our State SAPSASA soccer team after the trials on Saturday. Charlotte was moved up from the under 14's team to the under 16's team because of her great soccer skills.

Well done Charlotte !

Urimbirra Excursion

On Wednesday 17th May all the year 1/2 classes went on an excursion to Urimbirra Wildlife Park at Victor Harbour.

The classes are beginning Unit 3, with a focus on living things. The excursion was a great provocation to begin the unit. The students saw a range of Australian animals and loved patting the koalas and feeding the kangaroos.

All students behaved really well and showed respect for the animals and the park.

SAPSASA NEWS

G'day G'day G'day Seaford Rise Students, Teachers and Parents/Carers,

Hooley Dooley! What an opening to the SAPSASA Knock Out Competition of 2017. We had four teams (Boys and Girls Soccer, Girls Netball and Boys Football) to enter but alas, two teams have made it to the 2nd Round. **Our Girls Netball team went down by 'a goal' as we like to say when the tally has a bit of a gap between the points and in the end it's always a victory to even turn up and have a go at the game of Netball.**

The Boys Football seemed to have the first round free with a bye, but with some confusion we ended up having to consider it a forfeit due to limited student numbers and location of event. We thought it best to look forward to joining a football carnival later in the year at Flinders University or South Adelaide Football Oval.

On the bright side though, both our Boys and Girls Soccer teams have had success with the Boys scoring 11 goals to 2 and the Girls coming up with a big win against our fellow neighbouring school Moana, scoring 4 goals to NIL. It was a glorious game of team work and effort with some exceptional skills demonstrated throughout.

Look forward to our next round of Soccer matches and hearing of the next results.

Cheers Mr Mac J

Toy Drive

I have started a toy drive in the hopes of giving kids in emergency housing or foster care a new toy or book. My goal is to collect 100 toys for 100 kids.

If you can help by donating (we need toys suited for ages new born to 17years-both genders). Please call Chantelle on 0432282085 for more information or to arrange pick up.

Please note: due to OHS only new toys and books can be accepted.

Thankyou for helping me make a difference for children who desperately need a bit of happiness.

Wirreanda Secondary School is hosting a group of 20 Japanese students from Tokyo for 11 days in August We are looking for local families to host a male or female student aged 14 years old.

You do not have to have a student studying at Wirreanda to host and you will be financially reimbursed for your support.

Please contact Sue Bogumil at the school on 8329 7246 or at Sue.Bogumil831@schools.sa.edu.au if you are interested or have any questions.

The government introduced the Child Dental Benefits Schedule in 2014, which provides individual benefits for a range of services including examinations, x-rays, cleaning, fluoride, fissure sealing, fillings, orthodontic referral, root canals and extractions up to a total of \$1000 over 2 calendar years for children aged 2-18 years.

At Tooth 32, we offer these services in a private and friendly setting, and if you are unsure if your child/children is/are eligible, we can make a simple phone call and find out on your behalf.

However, if your child is not eligible under the CDBS, we accept all health funds and invite you to come and experience our friendly team and high quality dentistry.

To make an appointment, please call 8557 6565, email us at hello@tooth32.com.au or visit us at Shop 25A, Aldinga Central Shopping Centre.
