## Principal's Ponderings

### SSO WEEK

Yesterday the teaching and leadership staff hosted a morning tea for school support officers (SSO's) to thank them for their tireless work here at Seaford Rise.

SSO's are an integral part of the school and these dedicated people do a myriad of jobs around the school which often go unnoticed. Fixing broken door hinges, helping in classrooms, tending to scraped knees, consoling an upset child and cleaning up after people are just some of the tasks performed by SSO's at Seaford Rise.

I'm sure the parents and students join the teachers and leaders at Seaford Rise in acknowledging the wonderful work our SSO's do on a daily basis.

Thank you !

### Student Attendance

A high level of student attendance positively impacts on the achievement level, therefore, I encourage you as parents to ensure students attend school unless they are unwell or on a family holiday. If your child is absent can you please notify the school either by skoolbag or by contacting the front office on 83270232. Alternately, you may write a note in the students' diary or communication book when they return to school.

Your ongoing assistance in this matter is greatly appreciated.

Congratulations to Elisha Rose who has been selected to represent South Australia in the U/12 SAPSASA girls soccer Championships. A truly remarkable effort Elisha.

Next week we are having a visit from Kimberly and Fiona in J suite to show us how deaf people use the Auslan signing system.

Jump Rope for Heart-the fun, fitness and fundraising event!

Our school is participating in the Heart Foundation Jump Rope for Heart's Jump Off Day on Tuesday, 29th August, 2017. It encourages our students to get more physically active while discussing and encouraging their attitude towards a healthy lifestyle as well as raising vital funds for cardiovascular research and community health programs.

It is a popular sponsored skipping day that raises money both for our school and for the Heart Foundation -Australia's leading heart health charity.

Please encourage your child to continue skipping and support them with their fundraising by asking your relatives and friends to sponsor them.

**Sponsorship can be via your child's sponsorship form or through the hassle-free online functionality at [www.jumprope.org.au](http://www.jumprope.org.au).** This is a great way for your child to monitor their progress, receive bonus prizes and even receive sponsorship from family and friends who are further afield.

Sponsorship money raised can be brought to school anytime after the Jump Off Day (29th Aug) until 22nd September, 2017. This allows the Heart Foundation time to process and collate the data **in order to provide the 'Thank you prizes' for our students.**

Thank you for your support in joining us in the fight against heart disease. Together we can save lives.

Regards, Kylie Mechis
