Principal's Ponderings

Choir

Well done to the choir for a fantastic performance at the Entertainment Centre Tuesday night. All students were excellent and a credit to our school. Special thanks to Sue Hage for all her hard work.

School Crossing

Just a reminder that vehicles are **NOT** required to stop for pedestrians at the crossing area near the kindy or the lower part of the school. Please remind children who cross there to be extra careful and don't assume that cars will stop. Cars are only legally required to stop at the school crossing manned by the crossing monitors.

Hats

Please note: hats will be required for outside play from Monday 18th September.

Canteen Volunteers

We are in need of volunteers to help Hayley in the canteen from Monday, to Wednesday. The canteen relies on volunteers to provide a reliable lunch service for our students. Volunteering is a great way to be a part of the school community. If you have any free time on any of these days please contact the school or drop in and see Hayley in the canteen. Any time you can spare would be greatly appreciated.

Beyblades

Due to some unfortunate incidents with Beyblades, they will not be permitted at school until the commencement of term 4.

Thank you to all the wonderful entries in this year's Reading Rainforest Book fair Competition. A lot of effort has been put in and the display in the gym looks wonderful. Winners announced at the Book fair previews.

We learnt about some dream-time stories. We had a fun day. It was fun building a shelter for little animals.
Aden

I liked it when we went to Aldinga Washpool and played with the rocks. I liked all the things we learnt about dreamtime.
Ebony

I loved learning about new things, exploring different types of things I had never seen. My favourite thing was seeing a kangaroo at Aldinga Scrub.
Shenae

On Tuesday August 29th H5 went on an excursion to the Aldinga Scrub and Washpool to learn about local significant places. Burda taught us a lot about the local Kurna people and what it was like in the past.

Health Alert. We have had a few reported cases of Influenza A at the school

Influenza A:

Symptoms—fever and chills, headache and muscle aches, feeling tired and weak, sneezing and stuffy or running nose, sore throat and cough.

Children may also have abdominal pain, nausea and vomiting. It's a bit like a very bad cold, but a cold doesn't give you aches and pains. If your symptoms get worse instead of better it is best to see a doctor. You should also get help straight away if you feel chest pain, short of breath, dizzy or confused or are vomiting a lot.

Treatment—If you have influenza, you are likely to get better within a week or two by: Resting in bed, taking mild pain killers, drinking plenty of liquids, eating light foods when you are hungry. In some people the flu can be severe and lead to complications like pneumonia.

Prevention—Influenza spreads very easily from one person to another. If you have influenza you **should stay at home while you're sick, cover your face when you sneeze or cough and regularly wash your hands.** If you are around someone with influenza you can help avoid by regularly wiping surfaces they touch with disinfectant wipes and washing your hands. It may help to get a yearly vaccination against the flu before winter.

BRING HOME A BIG BROTHER OR SISTER AND BRING FRENCH, ITALIAN OR SPANISH CULTURE TO LIFE!

Why not volunteer to host an international student from France, Italy or Spain next year? We have a small group of delightful students coming to Australia for 11 weeks to immerse in local Australian culture, experience our High schools, sports, environment and lifestyle. All these international students are around 15 or 16 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term cultural immersion stay. It's fun and interesting to help these young people achieve their Australian dream. If you would like to know more, please email your interest to [ICM on info@icm-education.com.au](mailto:info@icm-education.com.au) or call Georgie or Anja on 1800 500 501, or visit our website www.icm-education.com.

We have a white pair of Ralph Lauren glasses in a black case handed in. Please see Cheryl in the office.
