GREETINGS FROM THE PRINCIPAL

We are holding our annual school sports day on Tuesday 12th April. This is a Seaford Rise Primary School event and therefore secondary students are encouraged to attend their own school on that day. In the past some non-participating older students from other schools have disturbed our events and un-necessarily increased staff responsibility and student safety. Local secondary schools will be informed that their students are NOT invited to our Sports Day. We look forward to parents/carers working with us in supporting our students to have a safe enjoyable sports day.

Well done to all staff and students who participated in the National Day of Action Against Bullying and Violence. Please read the insert from the Minister and the Assistant Regional Director acknowledging our school.

Yannoula Michael

VISION STATEMENT

CREATING A COMMUNITY OF LIFELONG LEARNERS WHO ARE EMPOWERED TO LIVE SUCCESSFULLY IN THE 21st CENTURY

Elyssa Martin - GLA6  
Sarah Pearce - GLA7  
William Strudwick - GLA9  
Ayden Martin - GLA10  
Paris Parkin - C3/4  
Lachie Murrell - C3/4  

Toby Lapes - H2  
Hannah Bargery - H3  
Thomas Bevin - H4  
Tom Bartlett - H5  
Imani Alusiola - G3  
Nicholas Moulds - G4  
Aaron Jacob - GLA3  
Charlotte Bevin - GLA6  
Ethan Hanson - GLA7  
Madelyn Reid - GLA9  
Emily Newman - GLA10  
Ben Tinkler - C3/4  
David Sankey - C3/4  

Yowsa ! Yowsa ! Yowsa !
Congratulations one and all ! Well done, for your wonderful efforts at the 2011 District Sports Carnival at Wirreanda High School.
Please accept my thanks and appreciation to the students, parents and Mrs. Nicholls for your assistance and support with travel and supervision. No doubt I have been privy to some serious contenders of the future regarding the upcoming school sports day and state athletics day.

Cheers Mr Mac. ☺
Last Newsletter I used the term ‘Subitising’. This is an important strategy in understanding number and you can help your child by showing them regular arrangements of objects to subitise – M&Ms work well for this if you can manage to do it before eating them! The common arrangements are those we see on the face of a dice, and these make a good starting point.

It is thought that all people can subitise, (recognise quickly), between 5 and 9 objects. So only work with single digit numbers when showing groups to children.
Thank you to those families who entered last week’s Family Maths Challenge and congratulations to the families whose names were drawn from the box at last Monday’s assembly.

Greg Brown. Maths and Science Facilitator.

At the week 6 assembly, students from GLA 10 explained the Family Maths Challenge to students.

Standing: Brayden Griffiths, Destiny Harris.

Sitting: (From left) Ben Colgan, Tyla Kotyla-Edwards, Kiona Martin and Emily Newman.

Winners in the Maths Challenge were:
Callum and Euan Petrie from G3
Tyla Kotyla-Edwards from GLA 10
Kaleb Bettess H4
