

## NAPLAN 2011 RESULTS

When looking at individual student's results it is important to remember that the NAPLAN data is one piece of information indicating a student's achievement. It stands along side school based Student Reports, Parent-Teacher interviews and student work samples to give a clearer picture of how a student is developing.

Our school's results are summarised below.

### Year 3

Reading, Writing and Numeracy – 33 students sat for the test and 31 students achieved the national benchmark or above.

Spelling - 33 students sat for the test and 30 students achieved the national benchmark or above.

Grammar and Punctuation - 33 students sat for the test and 29 students achieved the national benchmark or above.

### Year 5
