## NAPLAN 2012 RESULTS

When looking at individual student's results it is important to remember that the NAPLAN data is one piece of information indicating a student's achievement based on tests done over three days. It stands alongside school based Student Reports, Parent-Teacher interviews and student work samples to give a clearer picture of how a student is developing.

Our school's results are summarised below.

### Year 3

Reading – 46 students sat for the test and 38 students achieved the national benchmark or above.

Writing - 47 students sat for the test and 44 students achieved the national benchmark or above.

Spelling and Grammar and Punctuation - 48 students sat for the test and 37 students achieved the national benchmark or above.

Numeracy - 47 students sat for the test and 36 students achieved the national benchmark or above.
