NAPLAN 2013 RESULTS

When looking at individual student's results it is important to remember that the NAPLAN data is one piece of information indicating a student's achievement based on tests done over three days. It stands alongside school based Student Reports, Parent-Teacher interviews, student led conferences and student work samples to give a clearer picture of how a student is developing.

Our school's results are summarised below.

Year 3

Reading and Spelling – 62 students sat for the test and 55 students achieved the national benchmark or above.

Writing - 62 students sat for the test and 59 students achieved the national benchmark or above.

Grammar and Punctuation - 62 students sat for the test and 57 students achieved the national benchmark or above.

Numeracy - 62 students sat for the test and 56 students achieved the national benchmark or above.

Year 5

Reading - 38 students sat for the test and 35 students achieved the national benchmark or above.

Writing - 38 students sat for the test and 29 students achieved the national benchmark or above.

Spelling - 38 students sat for the test and 31 students achieved the national benchmark or above.

Grammar and Punctuation - 38 students sat for the test and 30 students achieved the national benchmark or above.
