

2016 NAPLAN - Year 3

The DECD Standard of Educational Achievement (SEA) benchmark is set one band higher than the national benchmark.

Numeracy - 56 students sat for the test
3 students did not achieve the national benchmark
15 students achieved the national benchmark (Band 2)
38 students achieved above the national benchmark
(19 at Band 3, 14 at Band 4, 3 at Band 5 and 2 at Band 6)

Reading – 56 students sat for the test
6 students did not achieve the national benchmark
8 students achieved the national benchmark (Band 2)
42 students achieved above the national benchmark
(14 at Band 3, 12 at Band 4, 13 at Band 5 and 3 at Band 6)

Writing - 56 students sat for the test
2 students did not achieve the national benchmark
3 students achieved the national benchmark (Band 2)
51 students achieved above the national benchmark
(10 at Band 3, 22 at Band 4, 17 at Band 5 and 2 at Band 6)

Grammar – 56 students sat for the test
4 students did not achieve the national benchmark
5 students achieved the national benchmark (Band 2)
47 students achieved above the national benchmark
(20 at Band 3, 11 at Band 4, 9 at Band 5 and 7 at Band 6)

Spelling – 56 students sat for the test
5 students did not achieve the benchmark
9 students achieved the national benchmark (Band 2)
42 students achieved above the national benchmark
(8 at Band 3, 16 at Band 4, 11 at Band 5 and 7 at Band 6)

2016 NAPLAN - Year 5

The DECD Standard of Educational Achievement (SEA) benchmark is set one band higher than the national benchmark.

Numeracy - 59 students sat for the test
7 students did not achieve the national benchmark
14 students achieved the national benchmark (Band 4)
38 students achieved above the national benchmark
(22 at Band 5, 12 at Band 6, and 2 at Band 7)

Reading - 59 students sat for the test
16 students did not achieve the national benchmark
8 students achieved the national benchmark (Band 4)
35 students achieved above the benchmark
(14 at Band 5, 10 at Band 6, 8 at Band 7 and 3 at Band 8)

Writing - 58 students sat for the test
5 students did not achieve the national benchmark
19 students achieved the national benchmark (Band 4)
34 students achieved above the national benchmark
(20 at Band 5, 9 at Band 6 and at 5 Band 7)

Grammar - 59 students sat for the test
8 students did not achieve the national benchmark
11 students achieved the national benchmark (Band 4)
40 students achieved above the national benchmark
(23 at Band 5, 10 at Band 6, 2 at Band 7 and 5 at Band 8)

Spelling - 59 students sat for the test
8 students did not achieve the national benchmark
16 students achieved the national benchmark (Band 4)
35 students achieved above the national benchmark
(19 at Band 5, 11 at Band 6, and 5 at Band 7)

2016 NAPLAN - Year 7

The DECD Standard of Educational Achievement (SEA) benchmark is set one band higher than the national benchmark.

Numeracy - 25 students sat for the test
4 students did not achieve the national benchmark
3 students achieved the national benchmark (Band 5)
18 students achieved above the national benchmark
(6 at Band 6, 8 at Band 7 and 4 at Band 8)

Reading – 24 students sat for the test
1 student did not achieve the national benchmark
5 students achieved the national benchmark (Band 5)
18 students achieved above the national benchmark
(7 at Band 6, 3 at Band 7, 4 at Band 8 and 4 at Band 9)

Writing - 24 students sat for the test
2 students did not achieve the national benchmark
7 students achieved the national benchmark (Band 5)
15 students achieved above the national benchmark
(5 at Band 6, 2 at Band 7, 7 at Band 8 and 1 at Band)

Grammar - 24 students sat for the test
2 students did not achieve the national benchmark
5 students achieved the national benchmark (Band 5)
17 students achieved above the national benchmark
(2 at Band 6, 9 at Band 7, 4 band 8 and 2 at Band 9)

Spelling - 24 students sat for the test
3 students did not achieve the national benchmark
4 students achieved the national benchmark (Band 5)
17 students achieved above the national benchmark
(5 at Band 6, 4 at Band 7, 4 at Band 8 and 4 at Band 9)
