

### 2017 NAPLAN - Year 3

The DECD Standard of Educational Achievement (SEA) benchmark is set one band higher than the national benchmark.

**Numeracy-**     **54** students sat for the test  
**3** students did not achieve the national benchmark  
**6** students achieved the national benchmark (Band 2)  
**45** students achieved above the national benchmark  
                  (**13** at Band 3, **20** at Band 4, **8** at Band 5 and **4** at Band 6)

**Reading-**     **53** students sat for the test  
**2** students did not achieve the national benchmark  
**2** students achieved the national benchmark (Band 2)  
**49** students achieved above the national benchmark  
                  (**10** at Band 3, **21** at Band 4, **10** at Band 5 and **8** at Band 6)

**Writing-**     **54** students sat for the test  
**1** student did not achieve the national benchmark  
**5** students achieved the national benchmark (Band 2)  
**48** students achieved above the national benchmark  
                  (**18** at Band 3, **12** at Band 4, **15** at Band 5 and **3** at Band 6)

**Spelling-**     **55** students sat for the test  
**4** students did not achieve the national benchmark  
**4** students achieved the national benchmark (Band 2)  
**47** students achieved above the national benchmark  
                  (**7** at Band 3, **14** at Band 4, **20** at Band 5 and **6** at Band 6)

**Grammar-**     **55** students sat for the test  
**4** students did not achieve the national benchmark  
**5** students achieved the national benchmark (Band 2)  
**46** students achieved above the national benchmark  
                  (**10** at Band 3, **8** at Band 4, **20** at Band 5 and **8** at Band 6)

## 2017 NAPLAN - Year 5

The DECD Standard of Educational Achievement (SEA) benchmark is set one band higher than the national benchmark.

**Numeracy-** 60 students sat for the test  
5 students did not achieve the national benchmark  
14 students achieved the national benchmark (Band 4)  
41 students achieved above the national benchmark  
(25 at Band 5, 12 at Band 6, 4 at Band 7 and 0 at Band 8)

**Reading-** 60 students sat for the test  
12 students did not achieve the national benchmark  
9 students achieved the national benchmark (Band 4)  
39 students achieved above the national benchmark  
(12 at Band 5, 15 at Band 6, 11 at Band 7 and 1 at Band 8)

**Writing-** 60 students sat for the test  
8 students did not achieve the national benchmark  
8 students achieved the national benchmark (Band 4)  
44 students achieved above the national benchmark  
(33 at Band 5, 11 at Band 6, 0 at Band 7 and 0 at Band 8)

**Spelling-** 60 students sat for the test  
11 students did not achieve the national benchmark  
9 students achieved the national benchmark (Band 4)  
40 students achieved above the national benchmark  
(12 at Band 5, 19 at Band 6, 6 at Band 7 and 3 at Band 8)

**Grammar-** 60 students sat for the test  
8 students did not achieve the national benchmark  
16 students achieved the national benchmark (Band 4)  
36 students achieved above the national benchmark  
(11 at Band 5, 18 at Band 6, 5 at Band 7 and 2 at Band 8)

## 2017 NAPLAN - Year 7

The DECD Standard of Educational Achievement (SEA) benchmark is set one band higher than the national benchmark.

**Numeracy-**     **34** students sat for the test  
**0** students did not achieve the national benchmark  
**3** students achieved the national benchmark (Band 5)  
**31** students achieved above the national benchmark  
                  (**21** at Band 6, **7** at Band 7, **3** at Band 8 and **0** at Band 9)

**Reading-**     **35** students sat for the test  
**2** students did not achieve the national benchmark  
**3** students achieved the national benchmark (Band 5)  
**30** students achieved above the national benchmark  
                  (**11** at Band 6, **14** at Band 7, **4** at Band 8 and **1** at Band 9)

**Writing-**     **33** students sat for the test  
**2** students did not achieve the national benchmark  
**10** students achieved the national benchmark (Band 5)  
**21** students achieved above the national benchmark  
                  (**9** at Band 6, **8** at Band 7, **4** at Band 8 and **0** at Band 9)

**Spelling-**     **34** students sat for the test  
**2** students did not achieve the national benchmark  
**2** students achieved the national benchmark (Band 5)  
**30** students achieved above the national benchmark  
                  (**9** at Band 6, **11** at Band 7, **9** at Band 8 and **1** at Band 9)

**Grammar-**     **34** students sat for the test  
**2** students did not achieve the national benchmark  
**3** students achieved the national benchmark (Band 5)  
**29** students achieved above the national benchmark  
                  (**11** at Band 6, **15** at Band 7, **3** at Band 8 and **0** at Band 9)
