Lunches can be ordered from our school canteen. Price lists and lunch bags are available from the classrooms. Money needs to be paid when ordering. The canteen is open each recess and lunchtime.

The Price list is organized into food groups according to those foods recommended for healthy eating, group 1 and those which can be eaten in moderation, group 2. This Price list is also subject to change and a new one will be issued reflecting price increases when they occur. As we promote a Healthy Eating Canteen, please order from the green group, and occasionally from the amber group.

Please ensure your child's name and classroom is clearly printed on the order and avoid using envelopes or scraps of paper. Please ensure orders are put in between 9am and 9:15am each morning.

Correct money should be in the bag - if there is not enough money an alternate item may be given.

**NO CREDIT.**

**Volunteers always needed - phone Hayley 83270232**
