Welcome to term 3!

It has been lovely to see our students return happy and healthy.

I was very excited to attend our first assembly for the year. It was the first time I had seen the whole school together in that way. Thank you to H2 and C5 for running the assembly, and thank you to the parents of those students who were able to attend.

There have been some changes to our transition to school program for children who are starting school for the first time in 2023. The transition program will run over two terms, term 3 and term 4, giving children and their families the opportunity to learn all about our school and develop relationships with staff and students. I am very pleased to announce that Katerina Chrisakis and Lori Woolford will be running our transition program and also be our reception teachers in 2023. The transition program starts next week, if you have a reception child who will be starting with us in 2023 or know of one, please call into the office for an enrolment pack or a chat.

DRUM BEAT

Ten of our yr 5/6 students had the opportunity to participate in the Drumbeat program. They spent 6 sessions learning different drumbeats and exploring different social skills and resilience.

It was great to see their confidence grow during the time spent together and listening to their feedback today, they had a ball, and enjoyed being challenged and working as a team.

I big shout out to the facilitator Don Crook, who gave the students room to grow, and Anji for giving it a go when it was difficult!

Chris Picton's—RSPCA Winter Appeal

The RSPCA do important work in sheltering animals who otherwise have no home – but they are struggling to keep up with demand.

As we are now in the peak of winter, I was saddened to hear that the RSPCA Lonsdale shelter is overwhelmed with the number of animals in their care.

In support of the RSPCA Lonsdale, I invite you to assist our winter donations appeal.

Throughout August, my office will be collecting donations of:

- New dog and cat treats and toys
- Clean egg cartons
- Intact small cardboard boxes – muesli bar sized
- Clean, used towels, blankets and sheets.

Donations can be dropped off **9am to 5pm** Monday to Friday at Chris Picton's office at the **Seaford Meadows Shopping Centre**, Shop 9/760 Grand Boulevard, Seaford Meadows.

EMERGENCY CLOTHING

We are desperately in need of spare clothing for our emergency clothing room.

If you have any spare navy trousers, shorts, skirts etc that your child has grown out of that you wouldn't mind donating, please drop them in to the front office.

Thank you to everyone who has already dropped some in.

It might be a good idea to pack some spare clothes in your child's bag, especially for the younger children during the wet winter months.
