Edition 9

Date: 22nd September

Hi Everyone

As we head towards the end of term, I just want to remind you that the last day of term (which is also our colour run day) finishes at 2pm. If you are taking your child home before 2pm they will need to be signed out. This can be done by letting the teacher know the child is leaving. The first day of term 4, 17th October, is a student free day and we commence learning on the 18th October.

You will be receiving home today a colour run letter for those wishing to **opt out** of their child participating. If you do not want your child to participate this needs to be filled out and returned by the 29th September. Please note that we will make every effort to minimise the coloured powder protruding onto student's faces, however this is not always possible. For those students who are participating but not wanting the powder on them due to a medical condition such as asthma, the child should wear a solid colour t-shirt, please also let their teacher know. We are in need of parent volunteers for the colour run. If you would like to volunteer your time please email Patty at p_d_25 @internode.on.net.

I am pleased to announce that we have a new avenue for parents to contact members of Governing Council. Our Governing Council plays an important role in the management of our school. Should you wish to contact Governing Council, you can now do this by emailing the members at dl.1855.govcouncil@schools.sa.edu.au.

I hope you have a safe and happy break, we will see you in term 4.

Principal

EVERY DAY COUNTS....

A day here or there doesn't seem like much, but...

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...	This means that the best your child can achieve is...
1 day each fortnight	20 days per year	4 weeks per year	Nearly 1 ½ a years of school	Equal to finishing Year 11
1 day a week	40 days per year	8 weeks per year	Over 2 ½ years of school	Equal to finishing Year 10
2 days a week	80 days per year	16 weeks per year	Over 5 years of learning	Equal to finishing Year 7
3 days a week	120 days per year	24 weeks per year	Nearly 8 years of learning	Equal to finishing Year 4

When your child misses just...	that equals...	which is...	and therefore, from Kindy to Year 12, that is...
10 minutes a day	50 minutes of learning each week	Nearly 1½ weeks per year	Nearly ½ a year of school
20 minutes a day	1 hour and 40 minutes of learning each week	Nearly 2½ weeks per year	Nearly a year of school
½ hour a day	½ a day of learning a week	4 weeks a year	Nearly 1 ½ years of learning
1 hour each day	1 whole day of learning each week	8 weeks per year or nearly a term a year.	Over 2 ½ years of learning

This year has been difficult in many ways, not least in just trying to get children to school. We realise many of you have had to isolate for illness at some stage and have kept your children home because they are displaying 2 or more flu like symptoms, and we thank you for that.

However, it is still really important for your child's long term learning outcomes we ask that if you are struggling with getting your children to school, please give us a call and speak with me, and we can develop a plan to support you.

You may have noticed that we are sending letters to families of children have been absent between up to 10 days in a term for family or unexplained reasons. This is considered chronic non-attendance. If you receive one, please give the school a call to say you have received the letter, or make a time meet with me and we can talk about ways we can support you in improving the attendance of your children.

We thank you for you support in this.
