Edition 1

Date: 9th February

Welcome to term 1, 2023!

I hope that you have all had a lovely break over the last few weeks. I am very happy to report our students have settled well into their new learning environments. I would like to extend a very warm welcome to our new students and their families.

Unfortunately, COVID did not disappear over the break, and the following guidelines remain in place:

- If your child tests positive please notify the school immediately
- A notification will be sent to the parents of the students who are considered classroom contacts.
- Please do not send your child to school if they are unwell in any way.

After the last few years of keeping volunteers at bay, I am excited to announce we are currently seeking volunteers across the school. We have many areas that you may wish to volunteer in such as the canteen, in the classroom, governing council, excursions or helping in the gardens. If you are interested in volunteering please see Cheryl or Sonya in the front office for a volunteer pack, fill out the application form and pop it back into the office. All volunteers are required to hold a valid working with children check, if you do not have one, we help you with the process, these can be applied for through the school and at no cost to the volunteer.

Next Tuesday 14th February is the AGM for Governing Council. Governing Council is held on Tuesday at 6.30pm in week 3 and 7 of each term. Governing Council gives parents and carers an opportunity to be part of the decision making process in the school. We welcome anyone who is interested in joining.

We are looking forward to an exciting and busy year at Seaford Rise Primary School.

Congratulations to the wonderful Music students in G2 last year. Our school was selected with one other primary school in South Australia to work on a special project for ACARA (Australian Curriculum and Reporting Authority) Over a term in our Music lessons they created work samples for the project and were recorded by one of the ACARA officials. She was delighted with their understanding and involvement. These annotations are now being completed ready for inclusion in the Australian curriculum website.

I'm very proud of you all and the positive way you enjoyed creating and performing Music.
