Our year 6's have been busy this year. They are currently raising money that will go towards their graduation and will also go towards a legacy item they would like to leave for the school. It is wonderful to see the students so enthusiastic about this project, we wish them well with their endeavours.

We hope you have a wonderful break and look forward to seeing everyone back on Tuesday 2nd May.

SA Police have noticed an increase in antisocial behaviour in the vicinity of the Belair mountain biking trails, surrounding streets, and on trains and train platforms.

There have been incidents of objects being thrown at cars on Belair Road and Old Belair Road. Throwing objects on roads and at cars can cause serious injury and even death.

Police have also received reports about dangerous bike riding on the roads leading to the trails around the Mitcham and Lower Mitcham areas.

With Easter and School Holidays approaching SA Police support young people being involved in healthy, physical activities including mountain bike riding, however we need to consider the safety of the whole community.

Police encourage parents and caregivers to discuss safe and responsible riding.
