

# 2023 School Improvement Plan Summary

## Seaford Rise Primary School

Goals	Targets	Challenge of Practice	Success Criteria
To increase student achievement in numeracy R-6	2022:	If we consistently utilise high quality formative feedback for student learning each learners' needs will be better met	<p>Students will demonstrate their understanding in numeracy. Each student will have identified learning goals that they will be able to articulate.</p> <p>Students will:</p> <ul style="list-style-type: none"> <li>- Know and understand the learning</li> <li>- Engage and practise their next steps in learning</li> <li>- Understand strategies for problem solving when using mathematical concepts</li> </ul>
	2023: 36% 16/53 Year 3 students will achieve HB in NAPLAN Reading. 36% 22/60 Year 5 students will achieve HB in NAPLAN Reading.		
	2024:		
To increase student achievement in writing R-6	2022:	If we increase teachers' capacity to strengthen effective pedagogical practices through moderation and the development, implementation and regular review of learning intentions and success criteria, then we will increase student achievement in writing R – 7.	<p>Students will demonstrate their understanding of writing by being able to articulate their identified learning goals, informed by documented teacher feedback based on a range of learning area writing tasks.</p> <p>Students will:</p> <ul style="list-style-type: none"> <li>- Know what their next steps in writing are</li> <li>- Be able to discuss and recognise language conventions and authorial choices in mentor texts</li> <li>- Understand the purpose of language choices</li> </ul>
	2023: 26% 14/53 Year 3 students will achieve HB in NAPLAN Writing. 25% 15/60 Year 5 students will achieve HB in NAPLAN Writing.		
	2024:		
To increase student achievement in reading comprehension R-6	2022:	If we consistently deliver a daily timetabled reading program that integrates the Big 6 of reading as appropriate to each students learning, focused upon oral language, phonological awareness and comprehension then we will provide intellectual stretch for learners and increase the number of students in years 3 and 5 reaching SEA or higher in reading.	<p>Each student will understand and be able to articulate their next steps in learning to ensure reading progress.</p> <p>Students will:</p> <ul style="list-style-type: none"> <li>- Understand the next steps they need to improve fluency and comprehension</li> <li>- Know and practise reading comprehension strategies and skills</li> <li>- Use feedback to monitor and self-regulate their learning</li> </ul>
	2023: 36% 16/53 Year 3 students will achieve HB in NAPLAN Reading. 36% 22/60 Year 5 students will achieve HB in NAPLAN Reading.
