FROM MANDY

Hello Everyone

Today we started the transition process for 2024 with students visiting their intended classrooms and meeting their teacher. This is an important process for students. For some it will alleviate their fears of the 'unknown' and for others they may find the process confronting. Regardless of how your child may feel it is important to validate their feelings. We have made sure to support the students as best we can, placing SSOs across the classrooms and additional staff to float between the classes for support. Whilst we have tried our best to accommodate all requests, with over 400 students this has been tricky. Their next visit will be on December 4th.

Your child will bring home a placement letter today.

Thank you
Mandy

G2 & I6 excursion

Tears of the Djulpan

G2 and I6 enjoyed an excellent excursion to the Art gallery with our Arts teacher, Gail Carragher. We went to view the Tarnanthi Exhibition. The name is a Kurna word meaning 'to come forth or appear' heralding new ideas. The exhibition showcased the creative diversity of such artists as Djakanju Yunupinjus work on bark, Tiger Yaltangkis interpretations of AC/DC and woven pandanus baskets by Injalak Arts.

Also featured was the work of Albert Namatjira's great grandson, contemporary artist, Vincent Namatjira, an observer of the connections between leadership, power and influence. Children had the opportunity to create their own masterpieces in the Art Gallery Studio. Congratulations to our students who received many comments on their behaviour in the gallery and their respectful engagement in the guided tour information sessions. A huge thank you to our parent volunteers who accompanied us on the excursion.

The Tarnanthi exhibition is free and runs until January 21st.

Reception - year 2 swimming

On Monday 6th November to Thursday 9th November, our Reception to year 2 students travelled by chartered bus to Noarlunga Leisure Centre to participate in a swimming program as part of our Health & Physical Education program.

Amy and Sadie from H3 really enjoyed diving under the water to get the little fishies.
